

## Dropping pupils off at Henlow Church of England Academy

The roads that lead to Henlow Church of England Academy can become very congested during busy times of day ie. The start and end of the school day.

We have several buses coming in and out of school and in the interests of safety would ask you to read this leaflet carefully.

**Cars should NOT come onto the school site** unless you are a blue badge holder or have made arrangements with the school office due to exceptional circumstances.

There are several places around the school where you can park easily and allow your child to walk safely into school.

### BREAKFAST CLUB

Children may be dropped off up until 8:15 am. After that time please use the drop off zones (see map).

**We respectfully ask that you do not park in Groveside or Church Road as this not only causes congestion but creates problems for local residents.**

## DROP OFF ZONES

### PAVILION CAR PARK

This car park is situated at the end of Groveside and pupils can enter the school via the back gate.

### SCOUT CAR PARK—BOYD FIELD

This car park is situated on the left, just before you reach the school gates. Pupils may enter the school through the main gate.

### FIVE BELLS CAR PARK

We have an arrangement with the owner that parents may park in the pub car park at the beginning and end of the school day. Please park in the designated bays and not in front of the doors. Pupils can then cross the road at the school crossing right by the car park.

### The MILLENIUM FIELD CAR PARK

This is situated at the end of Gardiners Lane and the pupils can walk across the millennium field, through the churchyard and into school.
