

Some 5,400 new homes are planned for the Shefford and Stotfold area over the next 15 years. This means we'll need 3,500 new school places.

In response to this the schools in the area have been working together, with Central Bedfordshire Council, on a long-term plan to make sure we have:

- The right schools
- In the right places
- Delivering the best education

The schools and the council are now consulting on changes to local schools in order to meet this demand.

Please submit your response by Monday 20th January 2020. You can also complete this online at: www.schoolsforthefuture.co.uk
