# Henlow Heart

## Farewells & New Beginnings

This year has been a momentous one for Henlow Academy. After many years of planning and building we welcomed our first Year 7 cohort and now we say goodbye to our first Year 11 cohort. As Year 7 prepares to move through the school into Year 8, we await GCSE results for Year 11 as we support them in their next steps to post 16 education. On results day (August 22nd) students will also receive their year book which will be a record of the seven years that the majority of students have spent at Henlow. The 'trails that they have blazed' as ambassadors have defined the traditions for years to come and the prom photos give you an insight into the finale.

I would like to extend my thanks to all of the parents and guardians who have also been alongside us on this journey. In becoming a secondary school we have developed vibrant curriculum opportunities, built on our varied extra-curricular opportunities and valued the ethos that we all hold dear. This edition of Henlow Heart reflects how this term has included all of these aspects of school life.

The Sports Round Up has a section all of its own in order to pay tribute to the accolades received by our students in a wide range of sports.

The British summer had to be overcome to complete Sports Day but the achievements were considerable. The annual Sports Awards evening allowed us all to celebrate together and reflect on the whole range of ways that students are contributing and excelling.

The roll of honour celebrates the diverse range of achievements we recognise as important in our community. Musical occasions, visits, trips and a huge range of pursuits have been included in the past few weeks: photos included here will give you some of the flavour of their experiences.

**'I have come that they may have life, and have it to the full.' John 10:10**

We do say goodbye at the end of this academic year to a few members of our staff. Mr Terriss and Miss Barker are pursuing future qualifications. Mr Abedin is moving to a senior role in another school and Mr Jackson too with an added focus on 'A' level History. Their roles have been pivotal in paving the way forward at GCSE in their subject areas and we are immensely grateful for their contributions.

Mrs Harvey and Mrs Kelly are moving to roles in other schools and we wish them well. We thank Mrs Williams for paving the way to GCSE English and literature as she moves to a career in the Church. Miss Dormer, one of our own former pupils, is moving on to consider new horizons and I'm sure she will stay part of our wider community.

Today's whole school assembly was a fabulous celebration of 'all that is Henlow' with two of our recent Year 11 leavers joining us as special guests. Special thanks to our staff who ensure that the essence of Henlow remains at the forefront and to our students who enthusiastically enjoy the opportunities to engage and learn.

Finally, thank you to our parents and carers for being alongside us throughout the year. I hope summer brings some sunshine and time to enjoy being with our families and our friends in order to return rejuvenated in September.

Yours sincerely

# The Ray Payne Award

We were thrilled to be announce our 2024 Ray Payne Award winner is Mikayla R . This award is given to a student who has demonstrated outstanding achievement in one or a number of aspects at Henlow Academy. It could be for academic achievements, dedication to the arts and sport or overcoming a personal difficulty. Mikayla's nominations from staff said that she is a wonderful student and her attitude in school is outstanding. She helps others around her, is part of a strong supportive friendship group, and is very empathetic. She takes her learning seriously and the school is very lucky to have her as a student. All staff have nothing but great things to say about her!

**We are all incredibly proud of you Mikayla!**

# Year 11 Leavers

As the school year draws to a close, we are delighted to have reached the momentous milestone in our school's history: our first cohort of Year 11 students has completed their GCSE exams. This is a significant achievement, not only for the students themselves but also for our entire school community. It marks the culmination of years of hard work, dedication, and the collective effort of our students, staff, and families.

The journey to this point has been filled with learning, growth, and resilience. Our Year 11 students have navigated the challenges of their studies with determination and enthusiasm. From their first day in Year 5, they have embraced the opportunities presented to them, both inside and outside the classroom. They have participated in a wide range of extracurricular activities, community projects, and leadership roles, all while maintaining a focus on their academic goals.

The dedication of our students is reflected in the high standards they have set for themselves and the exceptional effort they have put into their studies. Our teachers have been unwavering in their support, providing guidance, encouragement, and expert instruction. Together, they have created an environment where students can thrive and achieve their personal best.

As our Year 11 students await their results, we want to remind them that these exams are just one step in their educational journey. Regardless of the outcomes, they have already achieved something remarkable by reaching this point. The skills, knowledge, and resilience they have developed will serve them well in whatever paths they choose to pursue next.

We are immensely proud of our Year 11 students and excited to see what the future holds for each of them. As they embark on the next stage of their educational journey, we are confident that they will continue to excel and make positive contributions to their communities.

# Year 11 Prom

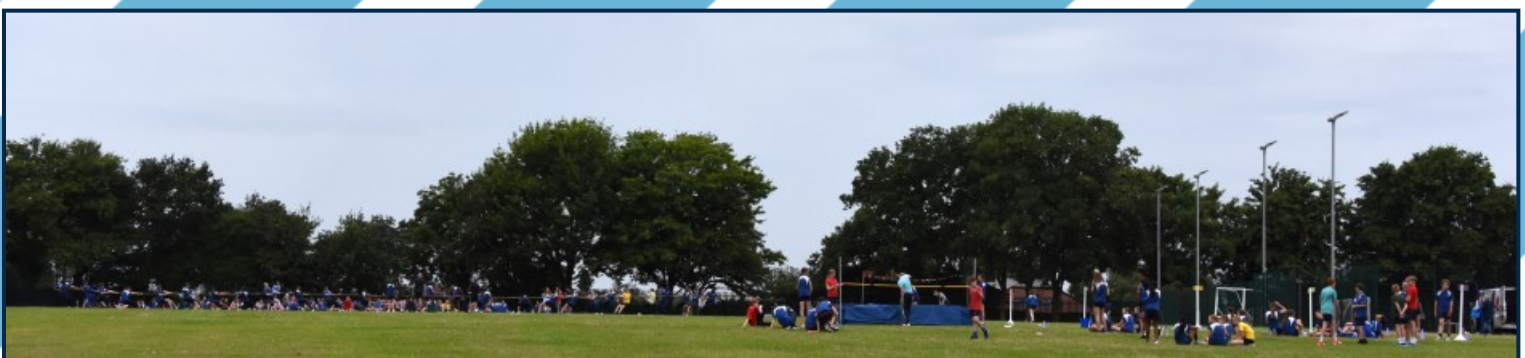

# Sports Day

This week we held a 3 part Sports Day! The sports sessions were filled with energy, enthusiasm, and a strong sense of community as students, teachers, and families came together to cheer, participate and celebrate sporting fun.

Students competed in their house colours, earning points for their teams through participation and placing in events. This gives our students the opportunity to be part of a team that extends through all year groups. The camaraderie and support among house members was truly inspiring, with students cheering each other on and celebrating every achievement, big or small.

We extend our heartfelt thanks to the PE department for their meticulous planning and organisation, ensuring the day ran smoothly.

Congratulations to all our students for their participation and achievements. Whether you took home a medal or simply enjoyed the day with friends, you contributed to making this our Sports Day a memorable and fantastic occasion.

# Year 9 Disneyland Paris Trip

Last week a group Year 9 and staff hopped over the Channel for a 5 day trip to Paris. Their itinerary included a river cruise along the Seine, visits to the Louvre and the Montparnasse Tower and the much anticipated day at Disneyland Paris!

# International Greenwich Olympiad

## Celebrating Excellence: Joshua's Silver Medal Triumph at the International Greenwich Olympiad

One of our awesome students, Joshua, has made us all proud by winning the silver medal at the International Greenwich Olympiad in the STEM lesson presentation category. It's not just a personal victory for Joshua, it's a testament to the hard work, dedication, and passion for science that we foster in our school community.

The International Greenwich Olympiad is a big deal, attracting 449 super-smart young minds from 49 different countries. It's a global platform where students get to show off their knowledge, creativity, and innovative approaches to solving tricky scientific problems. Among such tough competition, Joshua's achievement truly shines as a symbol of excellence.

Getting ready for the Olympiad was no joke. Joshua put in countless hours refining his presentation, doing research, and practicing his delivery. His presentation not only showed his solid understanding of the subject, but also his ability to explain ideas with clarity and enthusiasm.

The whole event was absolutely amazing. Participants took part in all kinds of challenging activities that put their knowledge, creativity, and problem-solving skills to the test. From interactive workshops to thought-provoking discussions, the Olympiad was a truly enriching experience that broadened everyone's horizons.

Joshua's silver medal is more than just an award, it's an inspiration for all our students. It proves that with determination, hard work, and a

love for learning, incredible achievements are within reach. Joshua's success story should motivate all of you to dive deep into your studies, get involved in science fairs, join clubs, and seek out competitions. Science isn't just a subject, it's a way to understand and change the world around us.

To wrap it up, we want to give a huge congratulations to Joshua for his outstanding achievement. We're incredibly proud of his hard work and dedication, which have earned him and our school this prestigious recognition. Let's all be inspired by his journey and strive for excellence in our own endeavours. The future of science and innovation belongs to those who dare to dream and work tirelessly to make those dreams come true.

Way to go, Joshua! We can't wait to see more of our students shine on the global stage in the years to come - Dr Karaoglu

# Anti-Bullying Concert

Year 5 pupils from Great Barford, John Donne in Blunham, St Swithuns in Sandy, Meppershall, Clifton All Saints, Derwent and Raynsford primary schools joined the GCSE Music Y10 group in the annual Anti-bullying concert on the 26th June. Songs including old favourites such as You've Got a Friend In Me were performed alongside new songs such as Will You 'Like' Me? The concert concluded as always with all schools united in singing There's A Power In The Music accompanied by the Yr10 GCSE group.

# The Occasional Orchestra

The second big event for the music department in the same week was a return of the Occasional Orchestra. The concert brought together musicians from 11 schools across Central Bedfordshire to perform as an orchestra. The concert took a musical journey around the globe. Music included the Galloping Gallic Dance. Other highlights in the concert included Isabelle W performing one of her Grade 6 Violin pieces. We were lucky to also have Sue Bell, Deputy Chair of Central Bedfordshire Council, join us for the evening.

On Monday 1st July we held our annual Post 16 Information Evening for our Year 10 pupils to explore all the opportunities open to them when they leave Henlow Academy at the end of Year 11. It was a brilliant evening where important conversations happened and aspirations formed. We would like to thank all the exhibitors who attended and inspired our students on what is available to them after GCSE's.

# Year 7 & 8 End of Term Fun

Year 7 and 8 have been busy celebrating the end of term with some fun activity days. Year 8 went off to Box End where they were paddle boarding and playing on the inflatable obstacle course. Year 7 had a fun filled day with inflatables, Nerf wars, archery, trampolining and more!

# The Henlow Academy Gym and Dance Festival

Our annual Henlow Academy Gym and Dance Festival is such a wonderful evening, showcasing the incredible skills of our dances, gymnasts and trampolinists. ?? students took part in the demonstrating the range of opportunities that have been on offer throughout the school year through our PE team and external coaches. The students trained extremely hard, choreographing their routines with little input from staff, to perfect their performances to deliver a fantastic show. Spectators were treated to a range of somersaults on trampoline, precision and strength during gymnastics, expressive choreography in dance and a phenomenal display of teamwork and courage in the cheerleading performance. #LetsGoHenlow

**At the end of the evening, a special mention was given to Bethan in Year 11 who has performed in every Gym & Dance Festival since joining us in Year 5.**

Congratulations to all our award recipients and to every student who participated in sports this year.

# Meppershall @ Henlow

It's been a busy term for Meppershall students based at Henlow Academy! Year 6 completed their SATs exams, with some fantastic achievements being shown earlier in the newsletter. Year 5 took part in the annual Anti-Bullying concert, working with a range of students from other local primary schools. We were also thrilled to announce the result of our Ofsted inspection back in March. We are proud of all our staff and students for a fantastic result

Year 6 have spent the last 2 weeks on 'The Road to Year 7' with a specially curated timetable of fun and celebrations to round off their time at Meppershall Academy. A huge thank you to Mrs Sharp and Mrs Marshall for all the organising this fantastic, unique opportunity. We know the students have had a brilliant time!

# The Library Round Up

## Euro football reading challenge

A reading competition was held and each year groups competed together, against each other to borrow and read as many books during the month of June.

Many students took part and the competition became very competitive!

Final calculations were made on Friday 28th June and the winning classes are:

Overall winning class 7BG (108 books borrowed)

Year 9/10 - 10CG (72) Year 8 - 8TA (64) Year 5/6 - 5JF (46)

These classes will have a non-uniform day (Date TBA)

7BG will also have an 'extra' treat as they were the overall winners.

Well done to everyone who took part and we hope you enjoyed reading all the books borrowed!

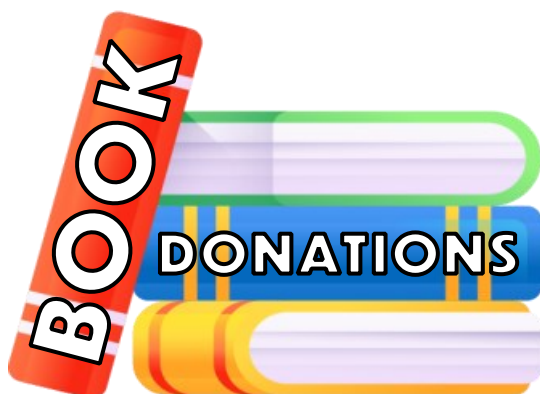

## OVERDUE LIBRARY BOOKS

Each year our school loses a Significant number of library books which not only puts a huge strain on the school budget but students are often left disappointed that books they wish to borrow are not available.

Overdue reminders are regularly sent out to form tutors, students and then parents/carers. Sadly, many of these reminders are just ignored.

We urge students to have a good look at home for any books that belong to the school and return them as soon as possible. Thank you

We are always grateful for donations of good quality books suitable for ages 9 to 16. These can be dropped off by students to the library or delivered to the front office.

Thank you to those parents/carers who have already donated.

**FREE  
SUMMER  
READING FOR  
ALL PUPILS**

**Our school has registered for this free digital newspaper!**

First News is the leading source of news and news-based learning for children. It is age-appropriate (aimed at 7 to 14-year olds but accessible for all ages), impartial and helps keep kids reading and developing their critical literacy skills.

We are pleased to offer students a free First News digital subscription over the summer holidays. It's packed with fun and educational content that will keep minds active and entertained all summer long.

First News digital is available via an app and includes:

- Daily news stories which children can read, listen and react to. These include reports on the Euros, the Summer Olympics, and the upcoming general election.
- The latest issue of the newspaper and many past issues
- Weekly polls to vote on
- The latest episodes of Sky Kids FYI weekly news show
- Fun puzzles and games: great for improving vocabulary
- Tips & Talking points for parents and carers to help you talk about tricky topics with your children

Hello  
Summer

# Mental Health Drop-In Service

by

**CAMHS Bedfordshire's Community Access Services (CAS)**

Summer Holidays can be hard without the usual routines and the support from school.

In August 2024, CAMHS CAS are offering a drop-in service to parents and carers of their children aged 5-18 who attend any Central Bedfordshire school to get advice and resources to support and promote positive mental health.

Please scan the QR code to reserve a space at our drop in or **contact our clinic on 01582 707635** and leave your contact details and we will return your call.

All Summer Drop in sessions will be held between **4pm – 6pm** on the following dates and venues below.

67 High Street North, Dunstable, Bedfordshire, LU6 3SD	Stratton Upper School, Eagle Farm Road, Biggleswade, SG18 8JB	Whichello's Wharf, The Elms, Stoke Road, Leighton Buzzard, Bedfordshire, LU7 2TD
Tuesday 30 <sup>th</sup> July 2024	Wednesday 31 <sup>st</sup> July 2024	Thursday 1 <sup>st</sup> August 2024
Tuesday 6 <sup>th</sup> August 2024	Wednesday 7 <sup>th</sup> August 2024	Thursday 8 <sup>th</sup> August 2024

A Level Results – Drop ins available at all venues on **Thursday 15<sup>th</sup> August 2024**

GCSE results – Drop ins available at all venues on **Thursday 22<sup>nd</sup> August 2024**

**PLEASE NOTE THIS IS NOT A MENTAL HEALTH CRISIS SERVICE**

If you or your child are experiencing a mental health crisis, please contact **NHS on 111** and **press Option 2** for the Mental Health Crisis Line (all ages.) In an emergency, you can also **attend your local A&E** and **contact emergency services on 999**

# Stock Your Pencil Case!

Please ensure your child has the correct stationery with them when they return to school. Students are expected to come equipped for the business of learning and therefore we do not provide stationery for pupils. In line with our behaviour policy, students will receive sanctions for not coming to school with the right equipment.

You need a pencil case containing:

- Cartridge pen, handwriting pen, ballpoint or a friction pen (black)
- 30cm ruler
- HB pencil and a spare
- 2 Dry wipe board marker pen and a wiper/cloth
- Coloured pencils (not felt tips)
- Ink eraser pen (if using a cartridge pen)
- Green pen (friction pen preferred)
- Rubber
- Pencil sharpener (which can collect shavings)
- Glue Stick
- Scissors
- Highlighters
- Scientific calculator (**ESSENTIAL FOR KEY STAGE 3 & 4 MATHS & SCIENCE**)
- Protractor
- Headphones (suitable to be plugged into any tablet)

# Name ALL your belongings clearly

At Henlow Academy we are very aware of the increase in the cost of living and are actively looking for ways to support families through this period. In order to support parents/carers we have put together some potentially helpful resources below. If you are concerned about any cost aspects to do with your child's education please email [jgregory@henlowacademy.org.uk](mailto:jgregory@henlowacademy.org.uk) (Mrs J Gregory).

### Childcare Offers for Parents

The Childcare Choices campaign aims to raise awareness and understanding of the support available from the government with the costs of childcare.

You can help ensure your parents and carers aren't missing out by directing them to <https://www.childcarechoices.gov.uk/> where they can easily find the right offers of childcare support for them.

With the school Christmas holidays approaching and looking ahead to half term in February, it is more important than ever that your parents and carers are able to access the financial support they qualify for. They could be entitled to:

- up to £2,000 a year of Tax-Free Childcare per child (or £4,000 if disabled) for children up to 11, or 17 if they're disabled
- help with up to 85% of their childcare costs for children up to 16 with Universal Credit
- 30 hours of free childcare for 3 and 4 year olds if they're a working family in England.

### Free School Meals Eligibility and Entitlement

If your child is eligible for Free School Meals please ensure they are using this entitlement. The canteen offers a wide range of choices at lunchtimes.

If you feel your child might be eligible for Free School Meals please follow the link below:

<https://www.centralbedfordshire.gov.uk/info/53/benefits/4/free-school-meals/3> The school is then contacted via Central Bedfordshire

### Free School Meals Holiday Courses

Central Bedfordshire offers a variety of holiday courses free for students entitled to Free School Meals - please follow this link to find out more.

<https://www.centralbedfordshire.gov.uk/info/11/children-and-young-people/1134/holiday-activities-and-food-programme-haf>

### Emergency support

Emergency provision is available following an emergency or crisis to meet the immediate day-to-day expenses relating to food and utilities. Supermarket vouchers and top-ups for pre-paid energy meters are provided to meet these needs.

To be eligible for the emergency provision you must be:

- permanently residing within Central Bedfordshire
- 16 years or older
- in an emergency situation and not have enough money to meet the immediate needs of you and your family
- able to provide sufficient proof of identity

You do not need to be in receipt of any benefit or entitlement. Find out more [on our website](#).

### The Need Project Referrals

We are able to refer families to The Need Project. If you would like a referral made please email Petra Crofts [pcrofts@henlowacademy.org.uk](mailto:pcrofts@henlowacademy.org.uk) with number of adults, number of children, what gender the children are, any food allergies in the household and giving permission for your details to be shared with The Need Project

### Help for Households

You can find more information about the broader support available to help with the cost of living on the Help for Households website.

## Are you eligible for Free School Meals?

If you think you are eligible please contact Central Bedfordshire on the number below. As well as receiving the option to have Free School Meals you may also be entitled to a variety of initiatives at school. These may include free access to Breakfast Club, support with the cost of Food Tech, help towards uniform, subsidised music lessons, help towards the cost of school trips as well as other initiatives throughout the year.

The qualifying benefits to receive free school meals for children in Year 3 and over are:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- The Guarantee element of State Pension Credit
- Child Tax Credit (provided you are not also entitled to Working Tax Credit, and your annual gross income does not exceed £16,190 as assessed by Her Majesty's Revenue and Customs)
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)
- Universal Credit (during the initial roll-out of this benefit)

If you think you meet the free school meals eligibility criteria, please call Central Bedfordshire Council on 0300 300 8306. When you call to apply for free school meals, please have the following information ready:

- National Insurance numbers and dates of birth for you and your partner
- dates of birth for your children
- if you receive support from the National Asylum Support Service, your NASS number

The school will then be informed and you will receive further information. If you would like to find out more about how the school uses the funding to support pupils in the school, you can find more information on the school's Pupil Premium Strategy on the school's website [http://www.henlowacademy.co.uk/web/pupil\\_premium/396258](http://www.henlowacademy.co.uk/web/pupil_premium/396258) or contact Mrs Gregory ([jgregory@henlowacademy.org.uk](mailto:jgregory@henlowacademy.org.uk)) For more information on how to apply for Free School Meals, please contact Central Bedfordshire Council directly on 0300 300 8306.
