- Individual exam cards are populated with a student's ID number and photo. Access arrangements, if appropriate, are used in conjunction with seating plans in every venue.
- The centre will verify the identity of all students that they enter for examinations or assessments.
- The centre must be satisfied that all candidate identities have been checked, whether as part of the initial registration process, or in the case of private candidates through a verification process which involves photo – ID.

The centre will have in place written procedures to verify the identity of all candidates at the time of the examination or assessment. (GR 5.9)

- Invigilators must establish the identity of all candidates sitting examinations.
- A private/external candidate or a transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who entered/registered for the examination/assessment, e.g. passport or photographic driving licence.
- Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes.
- Centres must inform candidates in advance of this procedure and well before their first examination.
- Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination.
