Summer Sunshine Finally Arrived

Dear parents and carers

Welcome back from the sunny half term break. I hope you are looking forward to the second half of the summer term.

As the photographs show, last half term saw students engaging in a range of opportunities both in and out of our classrooms. Some of our traditions were upheld - the fun run (with fancy dress for some) and the ice cream van at the end of SATS week (the rain just about held off!).

Year 6 are to be commended on the way in which they embraced these exams - the first time of facing a formal exam situation.

The fun run was fun and the number of laps completed was impressive. The most laps ran by a student in the hour was 27 laps, well done Caelan F and Jacob B. Please remember to pay in any remaining sponsorship money as PTA funds have enabled us to buy a minibus, a kiln and football goals in recent years.

The ski trip is a biannual event and one that was cancelled due to Covid restrictions. It was uplifting to see it take place this year and students enjoying good snow conditions. Not even a huge delay at Dover could dampen spirits and the photographs are full of smiles.

The weather can have an impact on our planned events ~ rain didn't stop play for our Coronation Garden Party but it did make it move to the Sports Hall! Again, brilliant photographs recreate the wonderful atmosphere. Congratulations to Lani (Year 6) and runners up Tom (Year 10) & Sophie (Year 5) for the coronation bookmarks they designed.

'I have come that they may have life, and have it to the full.' John 10:10

There's a great deal to look forward to this half term and I'll end this newsletter with a summary:

Year 5: Anti-bullying Concert, End of Year 5 celebration - Harry Potter day and Pit trip

Year 6: Kingswood residential trip/Activities week

Year 7: End of Year 7 celebration - in school fun day (inflatables on the field)

Year 8: End of Year 8 celebration - bowling

Year 9: Theatre trip, Duke of Edinburgh Expedition, Macbeth Workshop, End of Year 9 celebration - in school fun day (team sports, water fight, scavenger hunt and pizza)

Year 10: Theatre Trip and planning committee are working on Year 11 prom plans. Post 16 Evening - begin thinking about what's next at the end of Year 11. Students will have the opportunity to explore curriculum possibilities and different opportunities with a range of providers for A-levels, T levels, Apprenticeships, college and vocational opportunities.

The start of the Easter Holidays saw a group of 55 students and 7 staff embark on what turned out to be an epic 32 hour journey to Pila in Italy. Our students worked hard and made phenomenal progress with the skiing with students attempting some really tricky slopes by the end of the week. As well as the skiing, students enjoyed activities including bowling, arcades, a quiz and pizza evening. Our students were an absolute credit to Henlow Academy demonstrating our values throughout the whole trip (including the extra hours unexpectedly added to the outward journey)! #LetsGoHenlow

The Henlow Academy *Coronation* Garden Party

We celebrated the King's coronation in style at Henlow with a very British garden party! Of course in true British style rain stopped play and students retreated to the theatre and the sports hall for a royal indoor celebration!

This half term our Year 6's took their SATs tests. Students (and staff) have spent many hours working towards these tests and as always we are so proud of the way in which they conduct themselves when faced with the challenge of tests. Of course it wouldn't be SATs week without our tradition of the ice cream van coming to visit to celebrate the end of SATs!

The Henlow Fun Run

Friday 19th May saw Henlow PTA host our annual fun run. Over 500 students spent an hour clocking up as many laps as they could round our track with prizes for the most laps ran in each year group and best fancy dress outfits.

Henlow Highlights

Year 9 Take Your Child To Work

Our Year 9 students had the opportunity to take part in the national 'Take Your Child to Work' day. Nearly the whole year group were able to attend a work place and experience the world of work, many for the first time. Thank you to everyone who took a Year 9 to work with them and offered them a fantastic learning opportunity.

Year 10 Work Experience

As part of our careers programme, Year 10 had the opportunity to spend a week gaining work experience with a range of companies. Over 60 of our pupils went on placement to schools, hairdressers, garages, physios, vets and even The English School of Falconry! Thank you to all those who arranged and hosted Henlow students to give them such an important life experience.

Duke of Edinburgh Practice Expedition

Year 10 pupils who showed excellent navigational skills and teamwork as they embarked on their Bronze Duke of Edinburgh Award expedition. They navigated their way around rural Bedford in scorching temperatures. A huge thank you to all the staff who volunteer their time to enable our students to have this fantastic opportunity.

Henlow Academy's Extra Curricular Offer

Over the course of the school year we pride ourselves on offering quite possibly the greatest number of extra curricular clubs available in the area! This half term alone we have been able to offer Henlow students 36 different clubs every week! Incredibly over half the school are participating in at least 1 club every week! #LetsGoHenlow

The Library Round Up

Coronation Bookmark Competition

We recently ran a competition for students to design a 'Coronation' bookmark. We received some fantastic creative art work. Well done to all students who entered. The overall winner was Lani C 6JF
Runners up: Tom A 8RT & Sophie B 5SG

Book Fair

A huge thank you to parents/carers and students for supporting our recent book fair. The school has received commission from sales and we have gained over £200 worth of new books for our library

Overdue Books

We regularly send out overdue reminders to our students reminding them to return items as soon as possible. If students who receive a reminder think they have already returned their books, they are asked to speak with Mrs White. Parents/carers are sent reminders for the items that remain unreturned.

Unfortunately, the number of unreturned resources is putting a huge strain on the school budget. You will appreciate that we ask that lost/damaged resources are replaced or payment made to the school. Thank you

**We welcome

Name ALL your belongings clearly

At Henlow Academy we are very aware of the increase in the cost of living and are actively looking for ways to support families through this period. In order to support parents/carers we have put together some potentially helpful resources below. If you are concerned about any cost aspects to do with your child's education please email jgregory@henlowacademy.org.uk (Mrs J Gregory).
