## COVID - 19 INFORMATION

We understand that it can be confusing to keep up with Covid-19 information. This is our quick guide of the current guidelines

- If your child has a persistent cough OR temperature OR loss of taste/smell you must not send them to school and a PCR test must be booked.
- An upset stomach, headaches, sore throat and unusual fatigue are all symptoms which are being seen in the younger population. Please do not send your child to school if they are displaying these symptoms. Book a PCR test if you are concerned your child has Covid-19 symptoms.
- Year 7, 8 & 9 pupils should all be carrying out twice weekly Lateral Flow tests. Tests are available at the school office and in the foyer of the new block.
- Wider government guidance recommends everyone carries out Lateral Flow tests twice a week. Information of where to get Lateral Flow tests for wider family members can be found by clicking [here](#)
- Please email [covid@henlowacademy.org.uk](mailto:covid@henlowacademy.org.uk) immediately to inform us of positive Covid tests, Lateral Flow or PCR. We will advise you on any and all action required.
- If you are symptomatic, you must isolate and book a PCR test.
- If you get a positive Lateral Flow result and have no symptoms you do not need to book a confirmatory PCR test.
- You must isolate and follow the guidelines for a confirmed Covid case if you have a positive PCR or Lateral Flow.
- 7 days of daily Lateral Flow testing is recommended for close contacts of a positive case.
